Talk About It

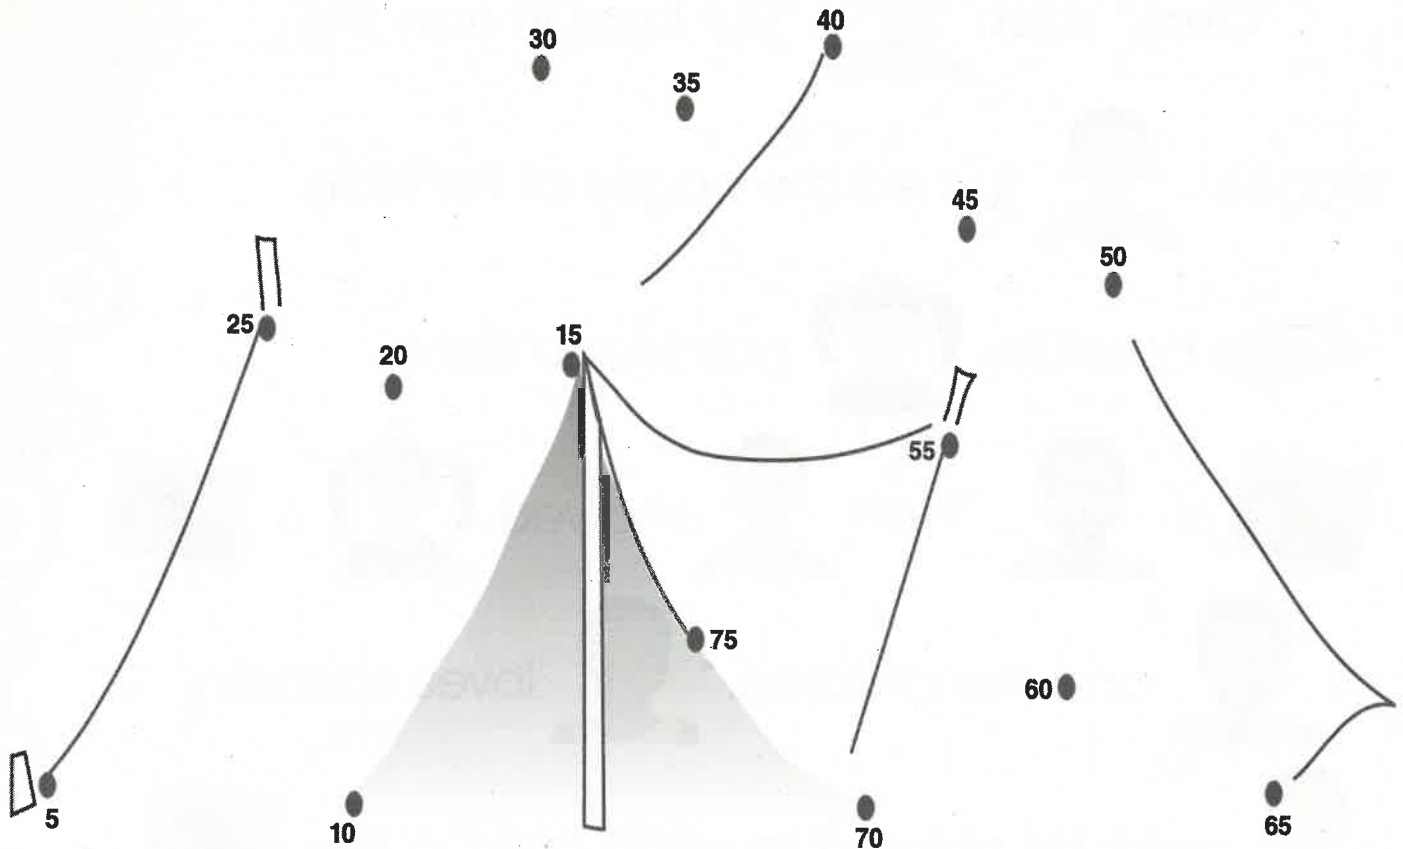

Bible Truth: We can tell
our friends about Jesus.

How did Li tell Tai about Jesus? What are some
ways you can tell friends about Jesus? Plan to use
one of those ways during the week.

Sharing with New Friends

Paul told Aquila and Priscilla about Jesus as they worked.

Counting by 5s, connect the dots . . .  to find out what they were working on.

Faith in Action

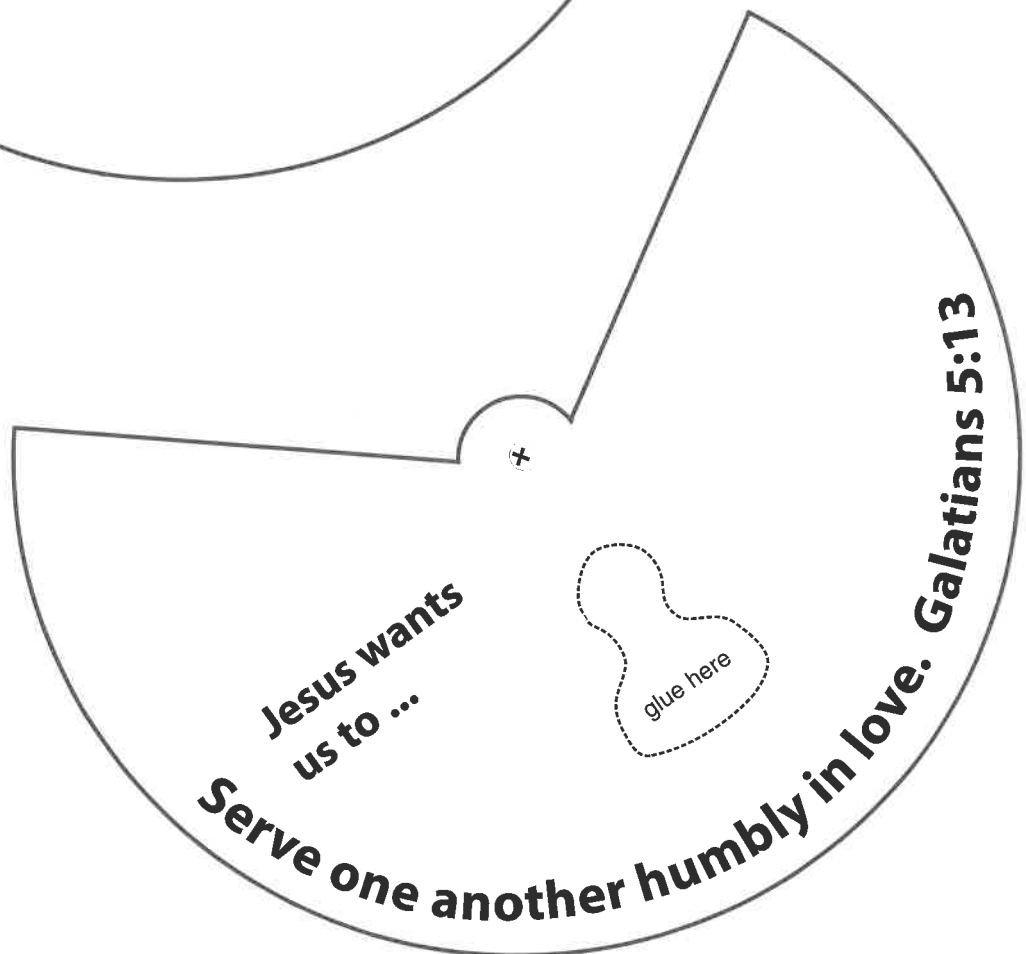

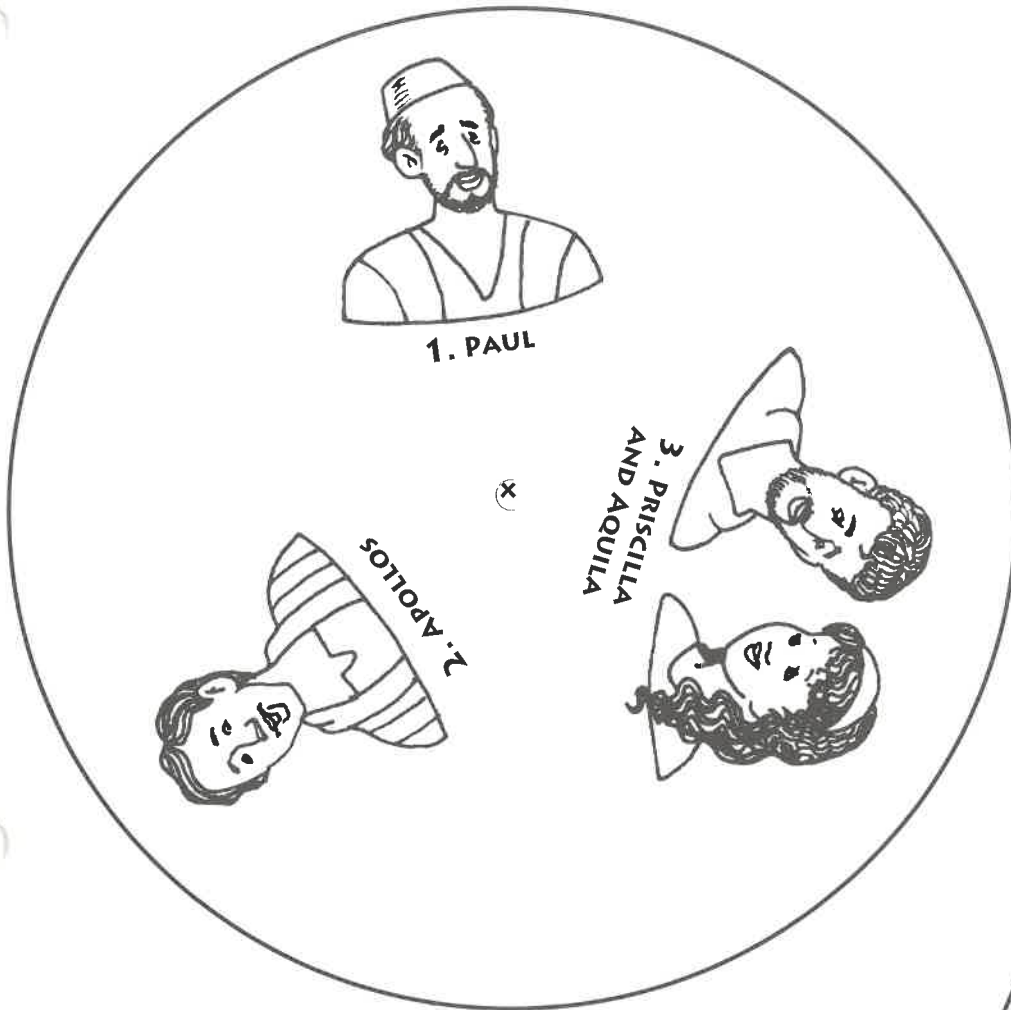

MEMORY VERSE:

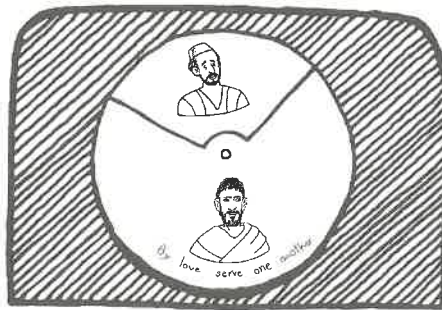

Serve one another
humbly in love.

Galatians 5:13

- What did Paul tell his new friends Aquila and Priscilla?
- What did Aquila and Priscilla tell their new friend Apollos?
- What will you tell a friend about Jesus?

FOR PARENTS

In class today, your child heard how Paul told his new friends, Aquila and Priscilla, about Jesus. Then Aquila and Priscilla told their new friend, Apollos, about Jesus (Acts 18:1-4, 24-28). Your child learned that we can tell our friends about Jesus.

At home this week, use this picture wheel to review the Bible story and unit memory verse. As you practice the Bible memory verse, remind your child that we serve one another as we help one another learn more about Jesus. Decide together what Bible stories you can read (tell, act out) for other family members and friends.
