People Praise Jesus as Their King

Bible story based on Luke 19:29-38;
John 12:12-19

1. Many people were going to Jerusalem to worship God. Jesus told two disciples, "Go to the next town. Find a donkey and bring it here."

2. The disciples found the donkey where Jesus said it would be. They told the owners, "The Lord needs your donkey." The owners let them take it.

3. The disciples brought the donkey to Jesus. The donkey had no saddle. So the disciples put their coats on its back and helped Jesus get on.

4. The people along the road praised Jesus as their King. They put their coats on the road, waved branches, and shouted, "Hosanna!"

FOR PARENTS

In class today your child heard about the time when Jesus rode a donkey into Jerusalem as its King (Luke 19:29-38; John 12:12-19). The class learned that we, too, should praise Jesus.

Encourage your child to use these stand-up figures to act out the Bible story. Shout out the Bible verse "Jesus Christ is the same yesterday and today and forever" (Hebrews 13:8) as part of the story telling.

You and your child can sing praise songs to Jesus.
